“ In the early morning hours of November 12th, " Our Father In Heaven" took a beautiful soul home. Mother is with the Angels now. She is walking on streets paved in Gold. There is no more pain and suffering. God has prepared for her a beautiful mansion. I am sure her Mansion God prepared for her is magnificent for in life that is what she was, " Magnificent" ! Mother was a beautiful, vivacious and wonderful person. She fought a long and hard battle in this life with a long and lengthy illness, but no more. I can almost envision her now, laughing, playing, dancing and happy. The sun shining on her face. No worries, no pain, no suffering. I envision her seeing all her loved ones that had gone before her. Our Dad her parents, sisters brothers and friends. I say never say good bye. Always say I will see you later. I love you Mother and am happy you are not suffering anymore. I will see you again one day. As it is a fact of life that we all must travel your journey one day. Maybe not in the same way but we all must pass one day. So Mom, with all my love, I say I will see you one day again. Your Daughter Susan.
