“ Roy was one of the best people on the face of the Earth. He was my uncle but he was more like my brother. We grew up together, got in lots of trouble together and had lots of fun together. You will be missed immensely! I know Heaven is rejoicing but having you they are with them now. You will always be in our hearts and our memories. We love you dearly! The world will be a sadder place without you.

“ So very sorry to lose such a kind, humble and hard-working man. I worked at Lincoln Elementary and cannot recall a time that I asked Roy for help that he failed to come through, whatever the task, in his quiet, unassuming way. I know he cared for his family. He spoke of you with such love. I will miss him and will be praying for you in your loss. 💖
