“ My Aunt Ruby was a truly amazing, unique, kind woman. She was the one who took charge and did everything for everyone in the family on mom's side. She would give you the clothes on her back if she could just to make you smile. She loved me and made sure I knew it. She was so thoughtful and always did little things to show she cared. I have so many great and wonderful memories with her and those will live on in my thoughts and heart forever. I love you Aunt Ruby...I'll always love you and I'll never ever forget you!! 🥹💔

“ *What we will remember most about Ruby is her love for her family. She was such a devoted wife and mother, and created a loving, close-knit family that is so rare these days. We are saddened by the loss her family is feeling, but know Ruby will live on through the three amazing children she left to this world.*

“ I never met Mrs Poore, but I feel I knew her because of how much I heard about her from her daughter whom I nick named Ginger Snap at work. Her mother was a God Loving woman who was a fighter! All I know is her daughter Ginger is amazing, and so full of fun spunk and energy, and Ginger so so so LOVES her family, especially her mama. Sending much love and comforting support to my friend Ginger and her family during this very very hard time. May you find comfort in amazingly great memories, and please find strength in Proverbs 3 vs 5-6.....Trust in the Lord with all thine heart And lean not unto thine own understanding....In all thine ways acknowledge HIM, and HE shall direct thy paths.....GOD bless all of you and I am sending each of you a warm comforting hug, especially to my friend Ginger snap!
