“ Louise was one year older than me, but we were both Leos. My most cherished memories are all the Christmases we cousins spent running around our Granny's and Uncle Lester's yard while the grown-ups sat ,either inside or on the front porch, talking. We kids would go down to the railroad tracks and lay our heads on the grown near the tracks to listen for the rumble of the train. Seems so long ago but each time I go to Plant City, I recall those happy times. Louise was always so kind to me and my sisters - Judith, Claudette, and Sheri. My prayers are with her family!
