“ *Many memories of Ruth. I called her My baby sister. Although we were separated for many years at least 30, we kept in touch. When I moved back to the East Coast. I got to kno her much better and made some AWSOME memories. She was very witty, loving and caring (sometimes very stubborn). She took such good care of mom - especially in mom’s later years and certainly her last days, not one time did I hear complain. Ruth is now in heaven with mom and dad. I kno she is at rest and very happy.*

“ *We were instant friends when we found out we were both from Alabama. Roll Tide. My mother was very sick and 6 days ago Ruth said she was praying for me. I needed the prayers. Whenever she saw me she always took the time and we talked and shared about our moms, life. Miss you. Hugs*

“ I was so sad to hear of Ruth's passing. I worked with her cleaning the church, which is how we became friends. She was a true character and I loved her snarky wit about everything. I will truly miss her, but our Lord has her now.
