“ I did not know her well, but worked with her at Holland & Knight. I was a new employee and mentioned that her coffee mug was a cute one. It was a Christmas mug that had an owl on it and just cute. The next day, she brought me a mug just like it. Just unsolicited kindness to a new person that made my day. I think of her every time I use it. What a kind lady. Wishing comfort to her family.

“ Sending condolences to the Nettnin and Mulvany families as they face the future minus a beloved wife, sister, mother, grandmother, and so much more. May your hearts be a peace knowing Ruthie is free of pain and suffering.

“ So very sorry to hear of Ruthie’s passing. We were best friends for 60 years. We didn’t talk often and saw each other hopefully once a year, but I looked forward to that time together. We would just pick up talking where we left off. Memories will get you through this. I have many to share if we ever get the chance. Take care of each other. My love to you all.
