“ What a wonderful legacy Lloyd leaves behind. He was always very pleasant and most of all smiling. First he was my parent's neighbor and then he was ours. I can thank Lloyd for steering my husband, Jay, away from law school and starting his farming career. My deepest sympathies go out to his wonderful family. I am sure my parents and he are sharing laughs in heaven right now.

“ We will miss Mr. Frierson. I will miss his friendly hello, conversation, and watching him on his lawnmower to take care of his beautiful yard. He had Jeff on his toes. Jeff felt like every time Mr. Frierson mowed he had to mow to keep up with Mr. Frierson's beautiful yard. The hogs out here would drive Mr. Frierson crazy so when the hogs would tear up the woods next to us Mr. Frierson would take wood with his mower to smooth out where the pigs tore up the woods. Not to mention he helped us many times with this too. He taught Jeff what to do which would make me smile. It is true Mr. Frierson would help you any way he could if he was able to. He was a great neighbor, friend, teacher and Dad. We will miss you. Love, Lynda & Jeff Buchanan
