“ *Chrissy,Michelle,Carrie & Jenn. I am so sorry for the loss of your beautiful Momma. She was one of the sweetest and funniest people I had the chance to know. Our many years working at TBCS were some of the funniest times. She taught me a lot there. She busted her butt every single day. And she was so in love with her grandkids. We would sit and talk about things they were doing. She was so proud of her family❤️ Heaven is a beautiful place with so many people I love including your Mom. I wish I could come to her memorial but I'm moving out of state on the 6th. Just know if I could of been there to celebrate her life I would. God bless you all thru this devastating time. ❤️*

“ She was my best friend, my everything! She put everybody before herself. My life will never be the same without her. Everyone says he's in a better place and not in pain, I hope so. I guess I leave to have faith. I love you so mommy and I miss you and need you.
