“ I'm guessing you might not read this right away. I just want you to know that I have been thinking about you so much lately. I'll never forget the fun times on the river and, of course, (with me...since Neil wasn't there..the few times he came...he was there, maybe physically, but possibly not mentally) at the Gator games! We will still have good times... and we will always think of Pat (and wish that she was with us). I think she will be there watching over us and laughing at all the stupid things that Cheryl and I do!! She made a big impact on me- and I really mean that.##imported-begin##stacey roddenbery##imported-end##
