“ Sandra and I were neighbors in Walden Oaks. I didn't realize at the time that we had been schoolmates at PCHS. She was a beautiful, warm woman who was so proud of her family. My sincere sympathy to all of you.

“ I was so saddened to hear that Sandra had passed. She was very special to me, and we worked closely together at Chico's. I loved her wonderful spirit and love for her family. Even though she was going through some rough times healthwise, she always had a smile for her customers, and they truly adored her. I will miss your wonderful sense of humor and your bright spirit, Sandra, but I know you are happy and safe now. Rest well, my friend.

“ I was so sad to hear that Sandra had passed away. I worked with Sandra in the GTE Business Office in Plant City many years ago. She was great to work with, and was sure to bring some fun into our work days. She always had that terrific smile. She was a beautiful woman, inside and out. She will be missed by many. My thoughts and prayers are with her family, whom she dearly loved. May you be blessed with God's comfort and strength during this difficult time.

“ *Sandra and I met at Chico's in Lakeland. We immediately became friends, she was just that kind of girl. Sandra loved her job at Chico's, and she really loved her favorite customers. I was one of them, for years Sandra and I shared conversations about how we both grew-up in Plant City. We would forget about shopping and just talk and laugh for a while. I went into Chico's Saturday June 3rd. looking for Sandra. When I asked for her, that's when I was told the heart drenching news. I will miss my friend, but I will always remember her beautiful smile and her laughter. There will be no more pain now Sandra, just rest in peace.*
