“ *Sandra was my cousin and my best friend. We had a wonderful childhood. We were together most weekends. A memory that stayed in both our memories was dancing every night we were together. Beatles, Elvis, we loved to dance. We had to clean the kitchen and then the dancing started. We danced till our energy was gone. I miss her so much. I could continue but there are so many memories it would take all day. Sandra I will love and miss you until I see you again.*
