“ My summers with my favorite cousin are so memorable, I don't know where to start! Every summer for years we would spend a total of 1 month together, 2 weeks in Phoenix City and weeks in Opp Alabama. I can imagine we have lived in the same city for all these years and grew so far apart. It's so strange how since her passing, I think about her everyday. I think this is so sad 😞, always remember to reach out to those you have loved because you never know when your chance has passed. I will always love you and I am so sorry for not making time for you when I could. Your best young friend cousin Brenda Robbins Hobby
