Gene, I was so sorry to read in the newspaper of your Mom's passing. What a life!!!!!!! It's been a million years that our "group" was together..... You, Alan, Ronnie, and me, and countless others. I still live in Lutz, on the same property as a kid. I hope you and your family get this....I'm pretty computer illiterate.....My prayers are with your family..... Thank you, Janet King O'Neill

“ Gene, Larry, John, and Karen,

Your mother was an interracial part of my life and I will have a part of her with me always. She showed me kindness, was always thoughtful and loved family.

Her grandchildren were molded into better people due to her influence. My memories are of family gatherings, craft shows, and mountain vacations, which she enjoyed and shared with all she could.

She will be sorely missed.

I know she loved her Lord and is with Him now. My thoughts and prayers are with you.

“ Larry, John and Karen:

It is with deep regret that I have learned about your mother's passing. I remember all the good times we had working at Northside Bank then Landmark Bank. Your Mom was over the bookkeeping department and took me under her wing and help make each day memorable. Her favorite statement was to take two aspirin and keep filing. She was always encouraging us to take AIB classes and to always do our best.

My first trip to NC was with Ruth Bos, John Babbitt and Sara it was during time I experienced my first snow and icy roads, as we almost went over the side of the mountain and John was ready to jump out the car.

Your mother was a truly wonderful person who loved all of you very much and was very proud of the people you have become, She treated me and everyone else like we were part of her family and always had a kind word.

My deepest sympathy to each one of you and thank you for allowing your mother to be a part of my life.
