“ I know I was young when you passed, I was 3 in fact, but I still think about what it would be like if you were here today. We keep pictures of you around the house to remind us of you everyday. Lots of these memories were made years ago but I wish you could know that even I'm still thinking about you today. ❤️

“ My husband and I were blessed with meeting Scott and his lovely wife Katie at a mutual friend's party. I feel unfortunate not having the chance to get to know him better. May Katie and the rest of his loving family and friends find strength during this very sad time. Remember, there are no "goodbyes" as he will always hold a special place in our hearts.

“Katie and Lady Grace, I barely met Scott and all I know for sure is he loved you and made Lady Grace so he was very special. He was fabulous in monogramming my mother's comforter he was so busy inn the back of the shop working the machines..

I remember Tish and I stopping at Four Greenfields for lunch and he was working on their deck, again busy busy busy. He made the wooden cross so beautiful for the road side site where Tish's friend Wendy perished. He was always doing something somewhere for someone

I guess God needs Scott's talents up there now... maybe they need a deck for one of the gorgeous gardens up there.

Scott will be watching over both of you and he was blessed to have you both in his life.....

Love you both
