“ I worked with Scott for over 10 years. He was one of those rare people that you could always depend on. When I visited him at the Cecil Field CBP site, you could tell that he was well respected by all. He was the go to person for everything. He would give you anything "shirt off his back". I will miss our talks. Rest in peace my friend.

“ I was stationed at Eglin A.F.B. with Scott in the 70's. He introduced me to Skynyrd, Molly Hatchet and wearing a baseball cap on backwards. We ha many good times and he will be missed.
