“ Margaret, Sharber impacted my life greatly. As you know, he did a lot of work for me and Trinity UMC of Plant City. Many of our people knew and loved him. He was very devoted to his work, his family, and his Lord. We had a number of conversations about Christ and his love for Him. The work of his hands, but mostly, his life--will stay with us for a long time. I well remember seeing him sitting on a floor once, with sweat pouring off his brow and with a ball peen hammer in his hand breaking up concrete. I said, "Sharber, don't you work too hard! Don't overdo it!" He replied, "Oh, I'm fine. I'm just catching my breath. You know how old I am?... God's been good to me!" Then, he continued to pound the floor with the hammer. He finished that job. No doubt, today, he's on another job, building something for the Carpenter he so loves! May the Lord be with you and your family during this time!
