“ Me and my family are so saddened to hear this! Sherrie was my first best friend I ever had. Went to school together our whole lives, starting at Pinecrest Elementary to graduation at Plant City High. I wish I had a chance to see her. We had a lot of great memories and I'm so sorry to hear this.

“ I knew Sherrie as a young girl, and had the opportunity of seeing her over the summer. She had a beautiful outlook on life. Heaven is brighter today, but the world is certainly dimmer. She will be missed. ☐

“ Her light has always shined bright. Her love for the Lord and all her family was very evident in her life. We are heartbroken to hear this sad news for her entire family...we are praying strength, comfort and peace for all. We know she is in paradise enjoying all the glories the Lord has promised...but yet we are sad...heaven is truly sounding sweeter all the time. 🙏❤️🙏
