“ Cheryl, your mother Shirley was my childhood friend. We would sit at Salem church side by side when our feet could not touch the floor, and sing When the Soul of man never dies. Cheryl you will receive many stars in your crown one day for taking care of your mother and father. Taking them to the doctor, to church, to the graveside, and putting flowers to all the family graves, cleaning their house, cooking their meals. They told me for years and years, they could not make it without your help. I will miss them so much. Love and prayers forever. Sister Aline Hobbs.

“ Shirley,
You were always a guiding light for me and a wonderful example of what a kind, loving, selfless person should be. You were always there for any family members in need, making sure their needs were taken care of first. Although you were the baby in your family, so often you carried the weight of every single person on your shoulders, seeing to it, that if someone was sick, they were well taken care of. Grandma Cribbs was the foundation of our whole family, but you made sure that things ran smoothly! I know your mom was always so proud of you for taking care of everyone. Now, everyone has gone, your job is done, it's time to rest. You will forever be in our hearts! But knowing you, Jesus has already put you to work carrying for others. I am so thankful for each and everyone in our HUGE family, the memories are endless, If it wasn't for Grandma Cribbs, none of us would be here! I miss you
Grandma!
Love you all, Stan

“ Mark you were such a good son to both of your parents. You will be blessed for that. In all the years I've known you I felt you were more a brother to me than a brother-in-law. We have all shared so many lovely memories with your family and mine through the years. I am so terribly sorry for your loss and know that love and prayers are with you and your family. Love Donna

“ Mom, you have meant the entire world to us. You selflessly took such wonderful care of us during our lives, and were always there to serve any other family member or friend who may have been going through health problems or difficult times, without hesitation or another thought. You were simply there, whenever needed, without question, and we are so proud of you for doing so! We are so glad you were able to live with us over the past 8 months, so we were able to spend even more time with you. We are so happy we were able to create you your own home away from home, and my thanks to Cindy and Tayler for making that happen. We will miss you forever, but are comforted in knowing exactly who "Came to get you" and take you home. All our love!
