“ I have known and loved Shirley my entire life. When I would go to Florida to visit Howard and Shirley as a little kid, she always made sure that I was taken care of - she went out of her way to make me mac & cheese or take me to McDonalds for chicken nuggets. We shared a lot of laughs and memories. She had an open and loving heart and she will be greatly missed.

“ We are sorry to hear of the passing of Shirley. We want to send our thoughts and prayers to Howard and the entire Loyd family. Shirley and Howard are dear friends of our family. Shirley was as beautiful on the inside as she was on the outside. Whenever we saw each other, she always took the time to talk to me and make me feel important. Shirley dearly loved Howard, her children and grandchildren. She was always fun to be around, exuded positivity and lived a life full of service. She will be dearly missed. Until we meet again...
