“ Words can't begin to describe the pain we feel when someone we love passes. My Granny had a heart of gold, a rare quality only few possess. Memories fill my thoughts as tears fall like rain. I can't begin to pretend I know the pain she bared losing her children. Heaven gained a beautiful angel and left some broken hearts on earth. Memories of her we will hold close in our hearts until we meet again.

“ Shirley was a wonderful kind person. I have known her for about 20 years every time I had the chance to see her she was always full of nice things to say about everyone . I had never heard her talk badly about anyone. I know that she will be missed by me and all the family . Ray will miss his aunt very much. All of us will, but she will be remembered as a kind,sweet and loving person no one can deny. She is in the best hands now along with all our other guardian angels. Prayers for everyone at this time.
