“ Susan, I have just now learned of Steve's passing and want to offer my sincerest condolences to you and the family. I remember Steve being full of life in so many ways. May he rest in peace and may you find peace in knowing that you had so many great years together.

“ Kevin and I feel very blessed to have met and known Steve. He was incredibly intelligent and had such a clever sense of humor. He and Sue generously opened their home to our neighborhood with much love and grace. When you were with Steve, you know you mattered because he was so curious about your life and how you were. Rest in Peace brother. Keep the faith, Kevin and Cindy Byrd

“ Steve, I'll never forget your innocent smile. It was the last image I have of you.

Susan - June 12, 2019 at 07:21 PM

“ Best memories were going down to my Uncle Dons Beach house in NY. Running around and playing with Steve when we were young kids. He was always a Happy and Energetic Kid. I hadn't seen him in many years, but, I can still remember his "smile and gentle soul". Wish we had gotten together again! I will miss him.

“ *Steve, you and Sue have always been wonderful friends and neighbors. remember when I broke my arm on a Sunday morning and I still wanted to finish the horse clinic Sue was hosting how you packed my arm in ice wrapped it and made me a sling. The orthopedic was amazed by how perfectly my arm stayed even until my appointment the next day. Kind and generous is how I will remember you. Carol Shirley*

“ *Steve will always be one of the kindest, generous and humane souls we will ever know. His passing is a an extremely great and sad loss, but the memories he has given us will live on. He will be remembered as a great friend, true animal lover, and was kindhearted to all who were lucky enough to cross his path....all God's creatures!*

“ Wow.....I cannot believe Steve has passed.

I remember you and Steve moving into Long Pond as newlyweds. I cannot believe it was almost 40 years ago.

I remember Steve scaring the crap out of me on his snowmobile. I think we were doing 90 mph on the pond.....it seemed like 200 mph.

You two were great neighbors and always felt we remained friends since then.

My prayers to you Susan and loved-one's during the difficult days ahead.
