“ I learned two important character traits about Steve while working with him at Brooks County Sausage. He earned my respect as a boss and a friend and he loved his family. May your hearts be filled with warm thoughts and treasured moments you shared with him. Our Thoughts and Prayers will be with each of you as you go through this difficult time.  
God Bless You all.

“ I worked with Steve when he was the Plant Manager at Brooks County Sausage. Steve was a great guy with a unique South Georgia sense of humor. He produced the best fresh sausage in the business and will always be remembered for his caring attitude.

“ Suzanne & I were childhood classmates, neighbors, & friends. I first met Steve, @ P. K. Yonge ( school ) when he became Suzanne's boyfriend, & they were the only "high school sweethearts" , from our class to marry. I remember their nice wedding, that mom & I attended. So, Suzanne, to you & your family: my family & I are so sorry for this loss you are now experiencing. May you & your family find peace & comfort in the upcoming days. Our warmest wishes, thoughts, and prayers are being sent your way, and may God bless you, Barbaa Jean Hoffman Kulpa & family.
