“ We didn't know Mr. Kelley for very long, but we grew to love him quickly. He was faithful to attend the Dover Advent Christian Church until he was no longer able to get out. We'll surely miss him!

“ Steve loved to garden and each year when it was time for picking he would call us to share his harvest. He always planted enough to feed an army so he could share with family and friends. He was a loving brother and I will miss him very much

Remembering the fun times. Steve, Louise, Charles and I played cards till all hours of the night. We fished together all over the Florida. All night on the Lake Harris bridge for specs. All night for mullet. We bowled together on a league for several years. He will be missed.

Steve will be missed by all of us. When we would get together for birthday celebrations he was always there. Loved to go to Willy's in Valrico and yes he was a big flirter with the waitress there. Always ordered fried shrimp! We had such a wonderful celebration on his 80th birthday and he enjoyed it seeing the old fish camp in Lake Wales. It was a fun day! He loved his garden and loved sharing all the greens, peas, squash. When he gave me my greens I always asked "are these already washed and ready to cook" and well I won't say what his answer back was! One thing I'll always remember the most about Steve is that he loved his family and was so proud of his grandkids! He always had a hug goodbye for me and would tell me he loved me and to take care Sis. I love you Steve and you will always be in my heart forever❤️
