“ God puts people in our lives for a reason. Steve was the contractor that did my full house remodel in 2018. He was a man of his word, a hard worker and the salt of the earth. Working with Steve and Sharon on the remodel was seamless even when we made a change or hit a bump in the road. I feel blessed to have met and worked with them. Steve will be missed greatly. His legacy will live on in his children who he dearly loved and he always smiled when he spoke of them. I will keep your family in my prayers.

“ Steve was one of a kind and his love for his family was strong which I have witness this past six months as they have all rallied to help each other in this journey. He always had time for his nieces and nephews and they knew he loved them and would do anything for them. Sharon, Shayna and Spencer you were his life and we pray that you find comfort in your memories. Maragret, Kenny, Bubba and Lori he loved you guys as well and the way you guys were there for him showed the love you had for him as well. Steve will be missed, will miss his hugs but I can't help but smile when I think of him seeing his dad and Alex again. Remember Larry and I are here for you all.

“ My brother and I grew up with the Carlisle boys in Riverview. This is so heartbreaking. Steve was a great guy we loved him and his family dearly. My brother Joe and Steve used to skip school together all the time. We were just talking about that not too long ago. Time gets in the way for all of us before we realize just how long it's been since we've been in touch. Sending thoughts and prayers to Sharon and the family.

“ There are a lot of positive words that can describe Steve, but the one word that I feel describes him the best is GENUINE. After first meeting Steve and his family at the baseball field when the boys started playing, it only took a very short time to realize how genuine of a person he was. He touched so many people in so many different ways his entire life. Everywhere I went with him we ran into someone he knew. I remember going home one night after knowing Steve for a short time and told Jodi damn this guy knows everyone in Riverview. Over the years I witnessed on many occasions how many people Steve helped whenever asked. He rarely said no when asked to borrow a few bucks, or to do a favor for someone. For me he was a true genuine friend. He embraced my family like he did his own, and for that I am forever grateful. I also learned very quickly his number one passion in life was Sharon, Shayna, and Spencer. Today we celebrate an amazing man, the world lost a genuine person, and heaven gained a genuine angel. Rest in peace by brother. You will be deeply missed.
