“ I've known Steve and his family for about 15 years now...horses and a few common friends is what brought us together and I have always and will always consider him to be one of my dearest friends. He is the only man I ever trusted to shaud my horses and the only one who could keep a heel on my mare ... he will always be regarded as the BEST Ferrier I ever new...hands down!

There are so many great times to remember over the years that were only made better by Steves off the wall since of humor... I got a call fro my vet one day asking if I could round up a few good horsemen to help capture a pet buffalo that had escaped onto county property, so about 5 of us including Steve, mounted up and rode out to North Tampa to the home of Ex-NBA Matt Geiger's house, (the owner of said "pet buffalo") after numerous hours of chasing this buffalo all over a 2000+ acre reserve and about 10 tranquilizer darts later the buffalo seemed to show signs of giving up! We had him roped and pinned between two trees and were in the process of wenching him into a trailer, so Steve makes a joke and tries Crocodile Dunndees approcah to wrangling animals, which seemed to give the buffalo a second wind and he took off. We did finally catch "Big Daddy" about and hour later and returned him safely to his own pasture, but its one moment in time I wont soon forget thanks to Steve!

God bless you mom and pops Mcdaniels, Jason, Hunter, and Kaydence...you are all in my prayers... You are forever in my heart "Newt" ...till we meet again!

Love always, Shelby Allman & Family

“ I've known Steve and his family for nearly 8 yrs. The thing that immediately comes to mind is his love for his family. Through the years, Steve and I shared many talks and prayers, and I thank God that we crossed paths in life. He will be missed, indeed. He was the most kind and gentle man with my old gal, Missy. She adored Steve, and would fall sound asleep when he shod her hooves, she was so comfortable with him, and he was so careful and mindful of her "geriatric" needs...Steve kept my mare mobile and on her feet; when others said "it's time to put her down", Steve said "I can get her movin', Hope, just give me a few weeks to work on her feet..." He loved that old mare...he won my respect in watching him time after time get my old girl "mobile" again, when others had long since given up. Steve worked hard & loved what he did; he loved his family immeasurably. Today, Steve is alive and well in the presence of the Father and the Son; no more pain and suffering, no more tears....just peace and joy for all eternity, and I praise God for that. Heavenly Father, it is my prayer that you would give comfort, solice, strength and peace to his wife, Angie, and his beautiful children, Hunter and Kadence, his parents and brother. Father heal the brokenhearted, restore the joy to their hearts; it is my prayer that the family will know they were very loved by Steve, and will draw near to each other for comfort & strength during this time of sorrow. Father, please let there be good that comes from this tragedy...bless this family, in Jesus name, I pray. With deepest sympathy, God Bless You, Hope, Gary and Megan "The Yerty's"
