“ How can you say goodbye to someone that has taught you so much and loved you and been there through thick and thin? You don't. I will never say goodbye to my grandpa because he will always be with me, warning me to stay on the straight and narrow and to keep my head up and never stop trying to better myself. He was such a figure! He had such an impact on those who knew him. He was a funny man but also, so serious and willing to tell you when you were wrong. But he would be there to help and tell you how to do it right. He will be missed for sure. But I'll never say goodbye to him, he will always be there for me, in everything he taught me, in the back of my mind. He will be there. I've learned some of the best things about life from my grandpa, how to laugh (we used to watch Betty boop cartoons together), how to eat at the table without putting my elbows on the table ;) he taught me that knowledge was everything (he bought me a national geographic magazine subscription the majority of my life and wanted me so badly to be a college grad that he had a savings just for that ready when I needed it), he taught me a love of plants and so many other things that I couldn't even begin to write them all, most of all, he taught me how to teach and pass what knowledge I myself have gained to others. I honestly could go on and on... I love my grandpa so much and I'll always carry all the things he taught me in my heart and mind, and I'll continue to try to live up to the same standard that he taught me I could achieve. Love you grandpa! So much! On to the next big adventure! I'll make the Angel name a proud one, I swear! Thank you to everyone there today for helping to celebrate his life! I want smiles and funny stories to be in everyone's memories of my grandpa today and everyday! That's what he deserves, because that's what he was, a great funny caring man.

“ *He was the best grandfather anyone could ever ask for. He lived a wonderful long life. He used to take me and my sister to dinosaur world and we would spend hours and hours there. It was the best thing growing up. We would go to his house, and eat lunch and stay nights there with him and Karen they we're amazing grandparents. He once took me to Mosi and we we're there for hours it felt like, but we we're in this weird section they had there and one of the staff come up to us and tell us that it's closed and we didn't even know it. Boy we laughed so hard when we got to the car. I miss him terribly but life has to run it's course. I hope you rest in peace grandpa it's be fun. I love you with all of my heart. - Your youngest granddaughter Grace.*

“ *Stu - A long time and good friend of over 50 years We first met Stu when he was a local bread delivery man in Livonia, Michigan. Stu always wanted the very best in life and worked hard and long hours and became a very successful real estate businessman. We have many fond and wonderful memories of Stu. He was a devoted and loving father and grandfather and he always wanted the very best for his family and he would do whatever he could do to help them. Stu was also a very loving and devoted husband to his beautiful wife and soul mate, Karen. We had the pleasure of having dinner with the two of them when they celebrated their 30 years of marriage together a couple weeks ago. He was a wonderful man who will be sadly missed, but never forgotten. R.I.P. Stu. We Love You, Fran and Jim Freed and family*

“ I was surprised and saddened to read of Stu's passing in today's Tampa Bay Times. I remember him from years ago when he was active in real estate over here in St. Pete, and I would run into him from time to time after he had relocated to Hillsborough County. Although it's been a few years since I last saw or spoke to him, I certainly recall him as an active Realtor and a friendly and extremely personable individual. Stu had a memorable personality and was an unforgettable character. The real estate business has lost a dedicated professional and a "good guy". I would like to express my heartfelt condolences to his family, and want them to know that my thoughts and prayers are with them during this difficult time. I have shared the sad news of his passing with several of my St Pete Realtor colleagues who will remember him from the 20-some years ago that he was active here. I hope his friends and family will take solace in knowing that he's in a better place and that he's already making himself known in his new surroundings.

“ *Stu was not only successful in business, real estate and investments, but also in his 30-year marriage to Karen who is dear to all of us who know her. Stu was her "rock" and best friend and thoroughly entertaining to all of us fortunate enough to be a part of their lives. I will miss our bantering over the Rays, Bucs, and Lightning as well as the jokes and laughs we shared when opportunity knocked. I could use one now...miss you already my friend.*

“ Ms. Karen my thoughts and prayers go out to you and your family. Stu was an absolute sweetheart. He will always be remembered. He comforted me at my father's viewing service. He told me to remember that my dad was at peace in heaven with the Lord. He said we are all going there one day, some of us sooner than others. But I promise when I get there, I will look him up and have a beer with your daddy. He always knew how to make light of the situation. He will truly be missed. RIP Stu.

“ Karen (my memories of Stu)
Stu was always a big joking character with love of life and fun. Never did a day go by that when he called into the office to speak to you that he didn't sing, make a joke, want a ride to the local bar from his Bourbon buddy(me! haha) but always wanted to speak to his" Angel! "(and other fun names he gave you) He will always be remembered as the fun outgoing sweet guy that would warm your heart. He was a true treasure and will be deeply missed. Much love and prayers for you and the family.
