“ Finding this today is a real heart breaker...Stu was my bio-father and I had been looking for him for years. Now that I have found him, I realize all hope is gone of ever meeting him. My heart goes out to all of his family and friends.

“ Uncle Stu, it was an honor to have you as my uncle, since i was a small girl. I will always have memories of you and me and aunt Sis going on "dates". Thank you for being a great Godfather to my babies~ Jamie and Nicole. and thank you for loving my aunt Sissy so deeply. I will keep my promise to you, and look out for aunt Sissy. Until we meet again, I will love you forever, and i will see you in Heaven. Give Jamie and Christina a kiss for me and continue to look out for my babies.

*So sorry to hear of Stu's passing. We had a lot of memorable and fun times when he delivered our chemicals throughout the city from Harcross. Always looked forward to going to work on the days Stu was coming. Stu will be remembered by me as a honest, hard-working, "loved to laugh" man.*
