“ *To the Family and Friends of Susan "Susie" Pollock, I like to say that I have known Susie since elementary school through high school. I am smiling because of all the great times we had with Susie both in and out of the classroom. She had a great sense of humor and loved to hold good, long conversations! She will be missed by many, however, focus on the great memories and wonderful times you have shared with her. She was delightful! Rachel, you are a beautiful image of your mother and I pray GOD's Blessings and Peace over and within your life! The Class of 1979 offers our condolences to the Family of Susie Pollock.*
