“ Miss Williamson was simply one of the best. She took a shinning to our son Kelly Malloy. She always supported him and believed in him. She made him hats during his basketball and Volleyball ball seasons for scoring first then final spike in Volleyball. She helped my son turn his studies around. We love her and will miss her greatly. RIP sweet Lady. Love kelly, Sally, Susie and TJ Malloy

Dave & Doris, sending thoughts of comfort and love. I remember all those basketball games and the guys playing. We set in the stands & both had two girls. I'll always remember those days. I have a Susie daughter too and she is a high school math teacher. May your SuSu RIP ❤️🙏

“ I met Susan in July of 2021 when I started working at Tomlin. She was very welcoming and always looked out for me. When she found out I had Breast Cancer that school year she had me come down to her room during lunch and she prayed with me. She was always there and checked on me to see how I was doing and always a bright light whenever I would see her during passing or in the hallway. She truly cared about those she knew and her students. She was not only my friend, but my Cancer Survivor Buddy. We did Relay for Life together the past two school years on team Tomlin. Even when I was no longer working at Tomlin, she kept in contact with me. We were going to meet up the other week after one of her appointments, however, her appointment had gotten canceled and we were unable to meet up. I wish I could have seen her one more time before she passed away. She was a great friend and I will miss her dearly. My prayers are with her family, all that knew her, and her students. I was very blessed to have known her, and have a friend like her. I will miss you dearly. My sweet Susan I know you're in a better place, but my heart is still breaking. I love you and until we meet again in Heaven someday, may you rest in peace.

“ I have so many memories of spend time with SuSu and Melanie growing up. It is because of their light I am a member of the Lord's Church today. SuSu always had a smile on her face. What a shining star! She will be greatly missed.

“ I can honestly say of all the people I have met along life’s journey ~ and I’ve met many being military and in the educational system, Susan has always been one of the rarest, sweetest, honest, caring, supportive, giving, kindest, most inspiring and loving Christian jewels in this thing we call life. I love my cousin deeply and always regretted that our lives were lived so far apart.

You sing with the angels now ~ God and Heaven has gained a wonderful soul and the choir a beautiful voice. I love you Susan...

I pray for God to wrap His loving arms around all of the Robbins/Williamson families during this difficult time.

“ Oh SuSU we loved you so much . You we the first one that taught our grand children about God .You were the one that cared about how they enjoyed the class and how their little eyes would light up with the songs when you sang to them .about God. You would come in and say ,they did not want to stop, that Kate and Kara would say with their expressions give me more ,give me more. We could see God in your life every day. You loved to sing and we loved to hear you . A beautiful voice to the Lord and very meanfully in every word . You always lit up our life in service to the Lord when you entered the building .David and i loved talking to you because you were there early so we could ,of course David like to tease you a little bit also. You were always warm at heart and caring about so many brothers and sisters of the Lord ,even when you were young . We are so sad to loose your touch and see you every week .We are also happy happy you are with our little angel up in heaven enjoying the singing around God's throng .No more pain tears or sorrow and .Love you forever and ever, we will be together again one day.
