“ I'm so sorry for your loss. I was looking for a friend who was just laid to rest tues. And came across mrs.Adams she was my favorite teacher at Jackson Elementary. That was many years ago. She always showed me such kindness. I would have to wear the same clothes through the week and she would still say I looked nice. I'm sure she knew I was poor. She would give me the food left over from our class parties. She taught me to respect myself and to be kind to others. Heaven surely has another Angel.

“ Having grown up attending Church with the family, I feel your,loss. In the back of my mind, I remember what the house looked like inside. I remember riding with Mr. Bowers one time to deliver Peanuts. It was time well spent as I learned all about Peanuts. Linda, I wish I could be there to hug you. I really enjoyed our time going back and forth to Business University of Tampa. I would love to see your smile again. Just know I am there with you in spirit and pray for your strength in this difficult time

Your friend in Christ,

Clark

“ I worked with Mrs, Sylvia at Turkey Creek First Baptist Church in the children’s department. She was an excellent, and faithful Bible teacher to children, and the children loved her. They learned many life-lessons from her tender heart....and she will be missed.
