“ *Paying my respects is well past due... My condolences to the Gainey family! Time gets away from us so I'm thankful that I saw her just a couple of years ago...and she was still the biggest sweetheart! I just now learned of Ms. Sylvia's passing yesterday, 9-29-2019. I have so many childhood memories at her house...Ken & Kim & their sweet dog, Judy...ham sandwiches, staying up late to watch the Bobby Goldsboro show & laying in the sun! Those were the days!! Thanks for the great memories, Ms. Sylvia.*

*Rest In Peace.*

“ Simplicity is how I describe Sylvia, her life was as far as I know lived with alot of love for everyone she did ot single out any one person she had love for everything and everybody and asked nothing in return. She loved her Grandchildren,children,her husband and she devoted her life to everyone else.

She loved Horses and the outdoors, fishing and camping and the list just goes on and on. I spent as much time as I could with her and she was always glad to see me it never failed not one time that she didnt want to know about my wife Virginia, she loved Virginia and she showed it. It is hard for me to know that she is gone now from me physically but her spirit embraces me with great strenght, I love her without a doubt and I love her Children and Husband who I know are just beginning to start a journy without her but her influance will guide them through it all and i pray for the day when I will be reunited with her and the rest of our familyfor that Great Family Reunion. Sylvia i miss you all too much already. Richard P. Harrington

“ Sylvia, you will be missed by all of us who knew you. As your cousin, we grew up together getting into all sorts of trouble! At times you and I would gang up on your sister, Lola, making her life miserable! Our mothers were sisters and we spent a lot of time together. I will miss your kindness and your sweet smile! I love you and know you are with your mother and my mother, Aunt Gladys, in Heaven. I'm sure they are taking good care of you!
