“ I remember taking Sylvia and Gene to see houses years ago. They were so cute together. Gene would make a funny comment about something and Sylvia would shake her head, roll her eyes and say "Oh Gene stop". But they had the sweetest love and respect for each other. I know she missed him when he passed...my heart smiles knowing they are together again. One of the sweetest spirits I will ever know.

“ *Sylvia was a "Special Lady" who was loved by all she met, and was a dear friend to me. Our wonderful times together with the Joy Love Singers were priceless. We were all so close with a special bond like sisters singing together to share the message of our Lord and Savior. She was so talented in music and I feel that she will continue using her talent playing and singing for her Lord in her new home. She will be missed by all of us, but her legacy will live on through her beautiful family who will one day be with her again in Heaven.*
