*“ Tammi was a very good friend when growing up! We went to Maplewood and Windham school together! Tammi was very fun and funny! One of the sweetest person I know! She never said a mean thing about anyone! We were in Career's With Young Children together, all the children loved her, and she loved them! A very devoted Christian back then also! “ Tammi my heart is saddened at your passing but rejoices to know you are in the arms of our Lord & Savior. Every time I hear the song *Meanwhile Back at The Cross*, I think of you singing that song and how your face would light up, your hand would come up in praise to the Lord. I'm glad I had the privilege of teaching Malena in the Jr class at Calvary, she's making you a proud momma. You are already so missed by so many that met you on this life's journey. You made a difference and left an amazing impression on each one in living for the Lord. I can only imagine what Heaven is like, but I firmly promise you I'll see you there one day💕💕
