“ I met Tammy and Terry in school. They were so much fun, always! Tammy was so quick with her smile and words of encouragement to everyone. We would see each other occasionally around Plant City as the years flew past, life became busy with kids, grands, and careers. But each and every time we saw each other, she always had the same beautiful smile, quick laughter, and the sharing of information about our lives. I am deeply saddened by her passing and will keep her entire family in prayer. May God bless you all with His peace as you mourn Tammy's passing and reflect on her beautiful spirit.

“ I had the pleasure of meeting Tammy while working at Chase. We sat next to each other in several training classes and we would make each other laugh telling jokes to the point of getting in trouble. She was an amazing, funny, and outgoing person. I was blessed to know Tammy and will miss her greatly. Rest In Peace beautiful soul.

“ *I had the honor and privilege of meeting Tammy over 20 years ago. Dave and I were so impressed with her girls, Beverly and Danielle, that we played around with the idea of homeschooling. It was with encouragement from Tammy that I tried homeschooling my girls and continued until they graduated. She will never be forgotten and will be greatly missed! May God comfort Greg, Beverly, Danielle and the rest of the family.*

*Love,
Dave and Deanna*

“ *Our favorite thing about Tammy was how much she loved her family. She delighted in being Greg's wife and mother to Beverly and Danielle. The love she had for her in-laws was apparent and she was overjoyed to be a grandmother to all those precious grandchildren. She was a devoted sister and a caring good friend. Anyone who had the pleasure of knowing Tammy will miss her.*

*Much love to all the family,

“ *I remember Tammy as a cute little blonde curly haired girl. She was always happy. I know she was a rock in her family as an adult. She has left a wonderful legacy. God used her to bless all that knew her. It's hard to understand why God has called her home, but I believe her her memory and spirit will stay with you. I know that God will never leave you and He will give you the strength you need in the days ahead. With love and sadness for you, Liz Crews.*
