“ Please accept my sincere condolences for your loss. Death is the enemy of all mankind, yet when it touches us personally, it is at times difficult to receive the comfort we search for. In times like these I know I can find comfort in God's word. In John 5:28,29 He tells us " Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out." As the God and Father of tender mercies, He wants you to find comfort in Him through prayer (2 Cor 1:3).

“ *Many sweet memories accumulated over the years of one of the kindest, loving people I have ever met. She was like a light shining in darkness and never ceased to go out of her way to speak to us and ask about everyone in the family whenever one of us went to the tag office. God had His reason for taking her at such a young age, but she will live on in our hearts forever. Sincere sympathy to John and children.....*

“ My "Deepest Sympathy" to the family and friends. I knew Teresa when I worked for Barney Newsome and Mac and Marion Smith. We shared a lot of good conversations and even though I hadn't seen her in years, my Dad went to the tag office the latter part of last year and she had asked about me. I could not believe she could remember my Dad after all these years and told him to tell me to look her up the next time I was in Plant City. So sad to hear of her passing. She will be greatly missed

“ Aunt Teresa was more than an Aunt to us four kids. She was more like a 2nd Mom. Whenever we came home from school or back from being out of the country she was always one of the 1st ones there to greet us. I always enjoyed those few moments alone on Sundays to catch up before heading down to Granny's. I can't remember too many times when she didn't have something for Hannah or I...and if you knew Aunt Teresa she always got it at a bargain. It was the little things she did to make us feel special. She was always thinking of everyone else and how to make them happy, even if it was something small. Some people don't get the chance to be this close to their Aunt but we were the lucky ones. Words can never express how I truly feel and what she means to me. We will always love you Aunt Teresa!

I couldn't have said it better Candy... She always treated us as one of her own. She knew all of our favorite things and always surprised us. She was truly an amazing woman. We are the blessed ones to have spent so much time in her loving presence. She will ALWAYS be with us, always.

“ Dear family and friends,

We are truly blessed to have you all in our lives. We have enjoyed reading all of the stories and kind words that you all have shared with us. As many of you have mentioned, Mom was a phenomenal person. I don't think I met anyone that didn't like her. She was one of those people that shared her sunshine wherever she went. I can only hope that I exude the level of selflessness that she exhibited throughout her life. Many of you have shared how much you loved her smile or how her laugh was infectious; that was one of her most memorable and beautiful traits. I am so very glad that everyone has such fond memories of her and her love for life. I feel truly honored when people tell me how much I look like her because I feel as if she will always be alive through me. I remember how I would be angry about something and spit fire about someone I didn't like and she always said, "Megan, don't be hateful." That is just who she was; she always tried to see the good in every person she met. I am overjoyed by how many people loved her and always will. We know that she is walking with Jesus on the streets of gold sharing that infectious laugh with the rest of the angels in heaven. Please continue sharing your stories and memories you had with her; they put a smile on our face to know how many lives she touched over the years. Thank you all for your continued love, prayers, and support. You are all incredibly awesome.

Love, Megan and The Greer Family (John and Matt)

That was a very sweet note about your mom. She and my sister are the same age but she was a friend of mine too. I remember spending the night with her when we were teenagers. I think we stayed up all night telling stories and laughing. Your grandmother Polly would laugh with us too. I can honestly say I don't ever remember seeing her when she didn't have that sweet smile and a kind word about everything. You were blessed to have one another. You will carry on her legacy in your heart and through your actions. Exude her spirit, smile that Teresa smile and strive to maintain her faith, morals and ethics. She dearly loved you and Matt and your dad. Never forget that.

“ Oh what a sweet woman, loving mother , true friend... And sports fanatic.. At least at the Pinecrest Little League Baseball Games! She could holler and cheer with the best of us and always cheered for both sides no matter who was winning! Now she was competitive... And enjoyed a good win but always a fair sport! Teresa was a woman who could make you smile even on a bad day as her smile would brighten any room. We thank God today for the promise we will be together again... Until then...
