“ We were teenagers when we met and without my best friend life wouldn't be the same. She was a force to be reckoned with. A heart wide open for all the trials that came her way, she always looked for happiness even when it seemed elusive. Her children are her pride and joy. She was smart and funny and batsheet crazy! I will keep all our lifelong memories alive in my heart. Rest easy my friend. Love you Paula.

“ Since she is my sister, I have so many memories, but my true favorite is when I was young (my sister was 11 years older than me), she and Big Gary would take us kids, Lil Gary, Trista and Josh to Brandenton beach and we would look for sand dollars and pretty shells...smile
