“ *I've known Terri since she became part of the Fisher family. Though I only saw Terri occasionally through the years, I have one abiding memory of her. Terri loved Jesus and she loved Mike Fisher with all her heart. I am very touched by the love between Terri and Mike. Mike returned that same beautiful love here on earth until he released her to the loving arms of Jesus.*

*God bless this family with tender loving memories at every coming day and moment of missing your servant Terri, this is my prayer.*
