“ I need you right now... I will never get to know how you would have helped me in the situation I am in right now. I'll never get to have back all the years of never getting to know you the way I wanted to. You stay in my mind and in my heart regardless of never getting to have that time. I like to imagine what you would say and how you would hug me and tell me everything is going to be just fine. It's crazy the things we are raised to believe as children and as adults we form our own judgments from experiences. I wish you were here just to sit with and talk with. To hear your voice again.. I will always love you and you will always be my daddy..

Though you left us two years ago today... I relive that day as if it were just yesterday. I can still hear your voice, still feel those bear hugs you would give me when we would see each other. Our lives have to go on... but not a day goes by that you are not with me! You will remain in my heart and thoughts and my life always and forever!... When we see each other again our ETERNAL life will be for INFINITY! I love you and miss you Boo! Hugs and Kisses to you MY ANGEL!

“*Hi BOO, I miss you with all my heart and soul. I hope you can hear me when I say good morning every morning I wake and my prayers before I sleep. Our family has been broken since you left us. May you watch over us and help us. may you be at peace with the lord with no more pain and heartaches. I LOVE YOU! and MISS YOU SO MUCH! May I be blessed by you and the lord to receive me in heaven when my time comes. Sad to say but looking forward to that day, to be with you again. May" OUR FAMILY" be together with more LOVE AND HAPPINESS than we know. My heart aches so much, seems like we lost you yesterday.(If I could see you tomorrow I would be so blessed).I pray for ALL the family to come together again as we once were. My thoughts and prayers just ask for everyone to love and respect each other and do what you would want us to do! Guess I'll close for now. To you with all my love Tina.*

“ Please accept my sincere condolences for your loss. Death is the enemy of all mankind, yet when it touches us personally, it is at times difficult to receive the comfort we search for. In times like these I know I can find comfort in God's word. In John 5:28,29 He tells us " Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out." As the God and Father of tender mercies, He wants you to find comfort in Him through prayer (2 Cor 1:3).
