“ Where do I begin? So many fond memories of you. Always watching TV with your eyes closed, how you love to fish and the repeated jokes year after year. You will be missed dearly by friends and family. I hate I can't be there in person to tell you, "see you later Uncle Terry. I'll save you some fish to catch next trip!" Fly high, rest easy. Love always, "shamu"

“ Papa shared so many hunting/fishing stories he went on with Terry and the brothers. Terry was a good man, brother, husband, father, and grandfather! I know Terry's memory will be a blessing to you all, our hearts are with the family. Just know that the people we love never go away for they live in our hearts. He was loved by so many and he will be cherished in our memories forever. I just want Joyce and the family to know I will be praying they find assurance in God's word, peace in the presence He gives, and comfort in His unwavering love. Daddy asked that I share his condolences also. Love you guys.
