“ I will always remember our late nights playing cards at granny and papa’s house. Going to your house and having breakfast and Uncle Curt and Papa having to smash our eggs and grits up (nobody else could do it like them). Love and miss you. Much love to my family in Florida! Wendy

Wendy, thank you so much for what you wrote. It made me smile. You know how much Mom loved you and always bragged on all of her nieces and nephews! She was an amazing, strong, independent woman that loved her family so much. She loved each and every time you came to visit and we have so many old photos from those days. Thank so much and we love you. Nora

Thank you so much, Star. You will always be like family to us! My mom thought the world of you. Your mother, Betty, was her best friend for many years and I will always remember all the good times we all had. Thank you so much.
