“ *The most beautiful soul we had here on earth has gone home to Heaven. Nanny you will be missed more than words could ever express. You were our life's teacher, you taught us to work hard and love harder, to always spend time with family, how to cook, to love unconditionally, to help others in need, and most importantly to love God. I pray that I can be as amazing to my grandchildren as you were to all of us. I love you Nanny.*
