“ Critter was one of my favorite people. What a wonderful soul he was. Critter and Ma were two of the most generous people I have ever met. They were there for anyone who ever needed anything, gracious, loving and just amazing people. Critter you will be missed, but you already know how much you were loved.

“ Critter was well loved by all who knew him at church and we miss him already. He usually had a bit of chocolate for us and a treat for his furry friends as well as a friendly word for anyone that stopped by. What a blessing he was. We rest easy knowing he now occupies his heavenly home in the presence of THE LORD.
