“ *Barbara and family, Our deepest sympathy on the passing of Tillman. I didn't know him when he worked at Olean since I came later but enjoyed working with both you and him on my travels to Pine Bend. He was always a hard working person. “ Dear family, I worked for Tillman from 1974 until 1982 in Ahoskie, N.C. Tillman was such a great boss to work for and I learned so many things from him. The positive attitudes and work ethtics I learned from him, I take to work with me everyday at my job at C.F. Industries, Inc. Ritzville, Washington Termianl in the Pacific Northwest. I have so many good memories of Tillman. I know he loved to operate heavy mobile equipment whenever he could get out of the management office setting. Everytime I worked around him I learned something new to apply to my job as an operator and vacation relied supervisor. Tillman will truly be missed from so many people that knew him so many years. My deepest sympathy goes out to all the family. May God Bless You All and keep you safe. Danny B. Adams - Ritzviile Terminal.##imported-begin##DANNY B. ADAMS##imported-end##
