“ *As a Durant High School teacher, I often overheard students sharing how much they enjoyed their Ag class and time with Mr. Cribbs. In his too-short life he impacted thousands of young people in so many positive ways. I'm sorry for the family's huge loss - but thankful to have known this gentle giant.*

Tim was always so sweet & kind as a classmate in Plant City. He continued to be such a positive influencia as a Mentor to my niece Brittany Coleman as she prepared to take up his teaching position at Durant. His is a living legacy that she will pass on to even more students. 💕
