“ Timmy was a friend and brother. And myself and family loved him dearly. We've seen and been thru a lot of storm's together in this life. And as all of us do, each and every one, have our weak point's in our lives. But the other side where GOD shine's is what i choose to hold on to. Timmy would take a bullet for ya. And if you ever needed him 24/7 ,if he could get there to help, he would. He has talked for many year's about wanting so bad to see his Lord and Savior, JESUS CHRIST, along with his mama and family that had gone on before. Well brother, you are home my friend. I could write a book on all the good time's we have had, thing's we have seen, good vittles we shared. Kinda like the Allman Brothers Band song line in Midnight Rider, "And the Road Goes on Forever". Brother you are in my heart and soul, and will always be. GOD knows i miss ya brother. But i know you are happy, singing praise to your Heavenly Father, and having a grand old time my friend. Put in a good word for me buddy. We will be seein ya up there one day i pray. LOVE YA MY DEAR FRIEND!!!!
