“ Please accept my sincere condolences for your loss. Death is the enemy of all mankind, yet when it touches us personally, few receive the comfort they search for. In times like these I know I can find comfort in God's word. In John 5:28,29 He tells us " Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out." As the God and Father of tender mercies, He wants you to find comfort in Him through prayer (2 Cor 1:3).

“ Our thoughts and prayers are with you, Mitch, Amanda, Wayne and family. This is the hardest thing a family has to go through. Hold on tight to each other; rely on the strength and support of family and friends. Tina was a special lady and she will be missed by all. And most of all keep the faith that Tina had and take comfort in the knowledge that she is in the presence of our Lord Jesus Christ. Our love to all of you.

“ *I was in the first grade with Tina and she was a beautiful little girl who I admired. I still have that admiration for this lovely, selfless woman who has been a special friend to so many. Tina and Mitch are a true love story and Mitch and the family now have precious memories of their angel who will walk beside them every day. My family sends you lots of love and prayers as you celebrate Tina's beautiful life. ?*

“ *I remember Tina from a very early age, elementary school, and the thing I remember the most is beauty inside and out. I know she is a beautiful angel. For the family I am thinking of you and pray God will make your loss seem easier. Keep in mind she is only a memory away. We will see her again one day.*

“ *The flower shop will never be the same without her infectious laughter and her "just keep swimming" at holiday time. When the waters get deep and you think you can't make it just remember Tina and say "keep swimming". I will truly miss her.*

“ As I scroll through all these beautiful comments that everyone has of Tina, it is so crystal clear that she was that "special" person to all those around her. Mitch and Tina were made for each other and Tina loved with "all her heart". My thoughts and prayers will be with Mitch and the family during this most difficult time. A part of Tina will always "live" inside each of us.

“ Tina and I became best friends in third grade. We always had so much fun together and shared so many adventures. I would go on vacation with her family and she with mine. As we grew up we showed off our beautiful babies to each other and were so proud of ourselves for bringing such beautiful human beings into this world. As we got older we would lose touch with each other at times but when we found our way back to each other it was if time had stood still, our friendship picked up where it had left off. Tina was my sister, my best friend in all the world. Even now, I cannot imagine life without her. You will forever be in my heart and soul and I will miss you so much. You leave behind a wonderful family that you loved and who loved you so much. But I know in my heart of hearts, you will always be here watching over all the people that you loved. I love you Tina, and I know one day we will see each other again. God bless you Mitch, Amanda, Wayne and all the beautiful grandbabies.

“ When I think of Tina I remember a sweet young girl, with the man of her dreams. She and Mitch were such a special couple at such a young age. We tried to capture that in their senior year of high school, when we took a great picture of them that was in our Senior yearbook. The student life section. You could see and feel the love they shared for each other.

Mitch and family just remember that she will always be with you, memories created are a blessing that no one can ever take away.

God bless you and your family,
