I served in the USAF with Tom in Colorado and in Maine. We worked on the MA1 system of the F-106 until he left for Southeast Asia.

I met Gail once we were transferred to Maine and later their son Tommy as an infant.

Sadly during Milton, I remembered Tom was from the BrandonFL, area somehow. I searched for him and this obit surfaced. I was very sorry to read of his passing. We were friends at a young age. Tom and Gail welcomed this barracks Ray into their home in Caribou, ME, often. Good memories.
