“ *The Barwick family lived across the street from our family, the "Gardners" while growing up. There is not enough room here to even begin to write all of the silly, crazy, funny and great times we all had growing up. We spent so much time going back and forth to each other's home, church, the swimming pool, Gilcrest Park and visiting neighborhood friends.*

Tommi Sue was the youngest of the group but she held her own and didn't miss a thing. The last time I saw her was at Jenni's wedding. We talked about their childhood home on Warnell Street and the good times we had.

My heart, prayers and love go out to Tommi Sue's husband, Buddy and family and to her sisters/husbands, Patti/Ray, Jenni/Mike and their children and grands. You are family to me!

Tommi Sue was a sweet, smart and loving Christian lady! I will always remember her humor, kindness and the beautiful memories we had on Warnell Street.

With Much Love and many prayers to you all,

Peggy Gardner Adams and Renus Knowles

“ Tommi Sue was a respected, admired, and loved member of the McLane and Burns faculties. As a physical education teacher, volleyball coach, and finally as an administrator at Burns Middle School, she was committed to the best education for all students. For some, that meant some tough love discipline, for others it meant some extra coaching to be a successful volleyball player. She fulfilled her responsibilities as an assistant principal and went above and beyond over and over again. She was a loyal, and sometimes mischievous friend and colleague who I dearly loved. I will cherish the many memories of the years we worked together. Buddy, you're the best for loving her and taking such good care of her.

I have so many great memories of my time at Burns with Tommi Sue as an AP. I could always count on her support and guidance. I was fortunate to have strong female leaders as role models. Tommi Sue will always hold a special place in my heart.

“ She was a wonderful sweet lady. We spent many times together because she always said , "we've got to eat". What a beautiful Christian friend. Love you and miss you.

“ I have Known the Barwick family since I was thirteen. Tommie Sue was 8 years old. Me and Pattie were best friends with me at their home alot. Sleepovers, church, Sunday dinners, and vacations. One year we went to the mountains of NC. One day Pattie, Jenny, Tommie Sue and I decide to build a waterfall in a creek. We found stones and stacked them for several hours. When it was time to start back we had to climb a steep hill. Well the quickest way down was to RUN. I sprained my ankle and Tommie Sue broke her arm.

We headed back to Florida in the station wagon . Tommie Sue and I sat in the trunk area of the wagon. Trying to keep her occupied so she didn't think of her arm, we sang songs, played games and laughed a lot. Never would I have thought we would end up being neighbors. Will love Tommie Sue and this family always. Darlene Jalbert
