“ *My son Tommy was a gentle soul that loved his family and friends. He had hard struggles in life but he faced them by saying "you do what you gotta do", I find it hard to believe that he is gone. He will be missed so much and I deeply feel the loss of his love, his sense of humor, and his smile. I will always love you Tommy, and my heart is so broken that you are no longer with us. Through the Light into perfect peace; a part of me went with you.*
