“ Please accept my sincere condolences for your loss. Death is the enemy of all mankind, yet when it touches us personally, it is at times difficult to receive the comfort we search for. In times like these I know I can find comfort in God's word. In John 5:28,29 He tells us " Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out." As the God and Father of tender mercies, He wants you to find comfort in Him through prayer (2 Cor 1:3).

“ Dear Toni, You were the light in my brother's eyes and in his heart. I knew you for a short time and I thank you for taking such great care of my mother and my brother. I believe that you are with my mother and my dad, my granny and papa. What a joyous place it must be to share that much love with those incredible people, the people that I loved and miss so very deeply. I will keep your family in my heart and prayers. This song means so much to me and I hope it will mean something to those you left behind. - Gayla
